Dear Luke:

At the January 22<sup>nd</sup> council meeting, the Hibbing City Council passed a 1% sewer and storm water rate increase to be effective February 1, 2025. Would you please see that these rates are increased at that time:

**Sewer**

Base charge: from \$17.00 per month to **\$17.17**  
Variable (per 1000 gallons): from \$6.38 to **\$6.44**  
Flat rate: from \$36.13 to **\$36.49**

**Storm Water**

Urban Residential: from \$3.30 to **\$3.33**  
Rural Residential: from \$1.24 to **\$1.25**  
Urban Non-Residential (ea 3,000 sf of impervious area): from \$3.30 to **\$3.33**  
Rural Non-Residential (ea 3,000 sf of impervious area): from \$1.24 to **\$1.25**

I appreciate your help in implementing the new rates. Please call me with any questions.

Sincerely,
