CHAPTER 9

PARKING REGULATIONS

(SEE CHAPTER 7 FOR SCOPE AND APPLICATION
RELATING TO THIS CHAPTER)

SECTION 9.01. PRESUMPTION. As to any vehicle parking in violation of Chapters 7, 8 and 9 when the driver thereof is not present, it shall be presumed that the owner parked the same, or that the driver was acting as the agent of the owner.

SEC. 9.02. GENERAL PARKING PROHIBITIONS. It is unlawful for any person to stop, stand or park a vehicle except when necessary to avoid conflict with other traffic or in compliance with the specific directions of a police officer or traffic control device in any of the following places: (1) on a sidewalk; (2) in front of a public or private driveway; (3) within an intersection; (4) within ten feet of a fire hydrant; (5) on a crosswalk; (6) within twenty feet of a crosswalk at an intersection; (7) within thirty feet upon the approach to any flashing beacon, stop sign or traffic control signal located at the side of a roadway; (8) between a safety zone and the adjacent curb or within thirty feet of points on the curb immediately opposite the ends of a safety zone, unless a different length is indicated by signs or markings; (9) within fifty feet of the nearest rail of a railroad crossing; (10) within twenty feet of the driveway entrance to any fire station and on the side of a street opposite the entrance to any fire station within seventy-five feet of said entrance when properly sign-posted; (11) alongside or opposite any street excavation or obstruction when such stopping, standing or parking would obstruct traffic; (12) on the roadway side of any vehicle stopped or parked at the edge or curb of a street; (13) upon a bridge or other elevated structure upon a street; (14) at any place where official signs prohibit or restrict stopping, parking or both; (15) in any alley, except for a commercial vehicle loading and unloading and then only so long as reasonably necessary for such loading and unloading to or from adjacent premises; (16) on any boulevard which has been curbed; (17) in a sign-posted fire lane; (18) in lanes where, and during such hours as, parking is prohibited to accommodate heavy traffic during morning and afternoon rush hours. For the purpose of this Section, the term "commercial vehicle" means any motor vehicle with a business name permanently affixed thereto or painted thereon.

SEC. 9.03. UNAUTHORIZED REMOVAL. It is unlawful for any person to move a vehicle not owned by such person into any prohibited area or away from a curb such distance as is unlawful.

SEC. 9.04. HOUSE TRAILER, MOBILE HOME, CAMPING TRAILER OR BUS PARKING. It is unlawful for any person to leave or park a house trailer, mobile home, camping trailer, bus or other similar recreational vehicle on or within the limits of any street or right-of-way, except where signs are erected designating the place as a campsite, for more than six (6) consecutive hours.

SEC. 9.05. DIRECTION TO PROCEED. It is unlawful for any person to stop or park a vehicle on a street when directed or ordered to proceed by any police officer invested by law with authority to direct, control or regulate traffic.

SEC. 9.06. PARALLEL PARKING. Each vehicle stopped or parked upon a two-way road where there is an adjacent curb shall be stopped or parked with the right-hand wheels of the vehicle parallel with, and within 12 inches of, the right-hand curb, and, where painted markings appear on the curb or the street, such vehicle shall be within such markings, front and rear, provided that upon a one-way roadway all vehicles shall be so parked, except that the left-hand wheels of the vehicle may be parallel with and within 12 inches from the left-hand curb, but the front of the vehicle in any event and with respect to the remainder of the vehicle, shall be in the direction of the flow of traffic upon such one-way street; and it is unlawful to park in violation of this Section.

SEC. 9.07. STREETS WITHOUT CURB. Upon streets not having a curb each vehicle shall be stopped or parked parallel and to the right of the paving, improved or main traveled part of the street; and it is unlawful to park in violation of this Section.

Effective Date: 9-1-75

SEC. 9.08. PARKING HOURS. Parking on streets shall be limited as follows:

Subd. 1. Time Limit. It is unlawful for any person to stop, park or leave standing any vehicle upon any street for a continuous period in excess of twenty-four (24) hours.

Subd. 2. Posted Time Limits. The Chief of Police may, when authorized by resolution of the Council, designate certain streets, blocks or portions of streets or blocks as prohibited parking zones, or five-minute, ten-minute, fifteen-minute, thirty-minute, one-hour, two-hour, four-hour, six-hour, eight-hour, limited parking zones and shall mark by appropriate signs any zones

so established. Such zones shall be established whenever necessary for the convenience of the public or to minimize traffic hazards and preserve a free flow of traffic.

Subd. 3. Streets Affected. The Council shall, by resolution, designate the streets upon which calendar parking shall be observed and shall provide that the same be kept on file and available for inspection in the office of the City Administrator.

Subd. 4. Alternate Parking. On the designated streets during the period from January 1 to December 31, inclusive, of each year, all motor vehicles shall be parked on the even numbered sides of the street on the days bearing an even calendar date, and on the odd numbered side of the street during the days bearing an odd calendar date; except that where parking is normally permitted only on one side of the street, motor vehicles may be parked on that side of the street on every day of the month. For night time parking, the calendar date after midnight shall apply for the entire night from 6:00 o'clock P.M. on one day to 6:00 o'clock P.M. of the following day.

Subd. 5. Unlawful Act. It is unlawful for any person to park or leave standing any vehicle in violation of this Section.

Effective Date: 2-28-97

SEC. 9.09. TRUCK PARKING.

Subd. 1. It is unlawful to park a detached semi-trailer upon any street, municipally-owned parking lot, or other public property.

Subd. 2. It is unlawful to park a semi-trailer, whether or not attached to a truck-tractor, within an area zoned as a residential district, except for the purpose of loading or unloading the same.

Subd. 3. It is unlawful to park a commercial vehicle of two-ton capacity or more between 10:00 o'clock A.M. and 6:00 o'clock P.M. on any weekday within any metered parking space, but parking of such vehicle for a period of not more than twenty (20) minutes shall be permitted in such space for the purpose of necessary access to abutting property for loading or unloading when such access cannot reasonably be secured from an alley or from an adjacent street where truck parking is not so restricted.

Subd. 4. Parking of commercial vehicles is permitted in duly designated and sign-posted loading zones, and in alleys, for a period of up to twenty (20) minutes, provided that such alley parking

does not prevent the flow of traffic therein, all of which shall be for the purpose of access to abutting or adjacent property for loading or unloading.

SEC. 9.10. PARKING RULES IN MUNICIPAL PARKING LOTS AND RAMPS. In municipally-owned parking lots and ramps, the Council may limit the sizes and types of motor vehicles to be parked thereon, hours of parking, and prescribed method of parking, provided that such limitations and restrictions are sign-posted or meter-posted thereon. It is unlawful to park or leave standing any vehicle backed into a parking space, to drive in a direction opposite the flow of traffic marked by "one-way" signs or arrows, or to park any vehicle in any municipally-owned parking lot or ramp contrary to the restrictions or limitations sign-posted or meter-posted therein.

SEC. 9.11. IMPOUNDING AND REMOVING VEHICLES. When any police officer finds a vehicle standing upon a street or municipally-owned parking lot in violation of any parking regulation, such officer is hereby authorized to require the driver or other person in charge of such vehicle to remove the same to a position in compliance with this Chapter. When any police officer finds a vehicle unattended upon any street or municipally-owned parking lot in violation of any parking regulation, such officer is hereby authorized to impound such unlawfully parked vehicle and to provide for the removal thereof and to remove the same to a convenient garage or other facility or place of safety; provided, that if any charge shall be placed against such vehicle for cost of removal or storage, or both, by anyone called upon to assist therewith the same shall be paid prior to removal from such place of storage or safekeeping.

SEC. 9.12. ANGLE PARKING. Where angle parking has been established and is allowed, as shown by curb marking or sign posting, or both, each vehicle stopped or parked shall be at an angle of approximately 45 to 60 degrees with the front wheel touching the curb and within any parking lines painted on the curb or street, provided that the front wheel not touching the curb shall be the portion of the vehicle furthest in the direction of the closest lane of traffic; and it is unlawful to park in violation of this Section.

SEC. 9.14. PHYSICALLY HANDICAPPED PARKING.

Subd. 1. Statutory parking privileges for physically handicapped shall be strictly observed and enforced. Police officers are authorized to tag vehicles on either private or public property in violation of such statutory privileges.

Subd. 2. It is unlawful for any person, whether or not physically handicapped, to stop, park, or leave standing, a motor vehicle (1) in a sign-posted fire lane at any time, or (2) in lanes where, and during such hours as, parking is prohibited to accommodate heavy traffic during morning and afternoon rush hours.

SEC. 9.15. CITIZEN ENFORCEMENT OF PARKING RESTRICTIONS FOR PHYSICALLY DISABLED.

Subd. 1. The City hereby adopts a program to enforce the parking restrictions relating to parking for physically disabled contained in Minnesota Statutes, §169.346, by using citizen volunteers to issue citations to violators as provided in Minnesota Statutes, §169.346, Subd. 4.

Subd. 2. The Police Department shall be responsible for developing a program for and implementing the training of citizen volunteer participants in the requirements of the law, the method of issuing citations, and other related matters. The Police Department shall issue written certificates to participants who satisfy the training requirements. Once a participant receives a written certificate, the participant is authorized to issue citations for violations of Minnesota Statutes, §169.346.

SEC. 9.16. RESIDENT PERMIT PARKING ZONES.

Subd. 1. Parking prohibited in resident permit parking zones; exceptions. No person shall park a motor vehicle in any area designated as a resident permit parking zone, which such zone is limited to parking by permit only, unless:

(a) A valid resident's permit issued pursuant to this Section is displayed in or on the vehicle as required by this Section; or

(b) The vehicle is a commercial service or commercial delivery vehicle which is then being used for service or delivery to a residence which abuts the zone and the exterior of the vehicle displays painted or embossed lettering or insignia which identifies the commercial person by whom or which the vehicle is being used for such service or delivery; or

(c) A valid visitor's permit, issued pursuant to this Section, is displayed in or on the vehicle as required by this Section, but only while the person who parked the vehicle is visiting the resident in the zone from whom the visitor's permit was assigned.

Subd. 2. Designation of resident permit parking zones; preliminary resolution and hearing; signing. Only the City Council may designate any area of any street or highway as a resident permit parking zone, which it may do by resolution, and by such resolution it may specify the time during which any such designation shall be effective. The director of public works shall place appropriate signs in any area so designated, which signs shall indicate that such area is a resident permit parking zone and shall indicate the time during which such designation is effective. Any resolution to so designate shall be effective only if prior to such resolution the Council has by resolution:

- (a) Indicated that it will hold a public hearing regarding whether to so designate;
- (b) Indicated the date, time and place of such hearing;
- (c) Directed the City Clerk to mail notice of such hearing addressed to "occupant" at each address abutting that portion of the street or highway to be so designated.

Subd. 3. Types and numbers of permits available; eligibility criteria; fees. Any resident of any property which abuts any portion of any street or highway which portion is included in any resident permit parking zone, who is not less than 15 years old, may apply to the City Clerk for resident's permits and/or visitor's permits for such zone. For any such resident to be eligible for such permits such resident must specify the address at which such resident is residing and must verify that such residence is the resident's permanent or usual place of abode. For any such eligible resident to be eligible for resident's permits, such resident must specify and verify for each vehicle for which such a permit is sought, the name of the manufacturer of such vehicle, the model year of such vehicle, and the license plate number assigned to such vehicle, and that the resident has a bona fide possessory interest in each such vehicle, as an owner, purchaser or lessee. Any such eligible resident may obtain a resident's permit for each such vehicle in which the resident has such a bona fide possessory interest. Any such eligible resident may obtain two regular visitor's permits, provided that a total of no more than four regular visitor's permits shall be issued to the inhabitants of any one "dwelling" as such term is defined in Chapter 11, and may obtain any number of special visitor's permits. Notwithstanding the provisions above, the City Clerk may issue regular visitor's permits in excess of two per occupant or four per dwelling, and may issue regular visitor's permits to nonresidential building occupants in the zone, but only upon the joint recommendation of the police department and the city engineer. The police department and city engineer shall fully investigate any application for additional regular visitor's permits before making a positive or negative recommendation to the City Clerk.

Any such eligible resident may obtain a replacement for any resident's permit or regular visitor's permit obtained by such resident and verified by such resident as having been lost or destroyed; and permit so replaced shall then be invalid.

The City Council may, by resolution, prescribe a fee for any permit issued pursuant to this Section.

Subd. 4. Periods and conditions of validity for permit.

Any resident's permit and any regular visitor's permit issued pursuant to this Section shall be valid only for the permit year for which it is issued; any such permit year begins with the beginning of July 1 and ends with the beginning of the next following July 1. Any special visitor's permit issued pursuant to this Section shall be valid only for the time requested by the application and so specified on such permit by the City Clerk; however, any such special visitor's permit shall be valid only within one week from the time that it is issued by the City Clerk, and for not more than a period of 24 hours during such week. Any permit issued pursuant to this Section shall be valid only while the property of the address of the resident to whom the permit is assigned is the permanent or usual place of abode of such resident. Any resident's permit issued pursuant to this Section shall be valid only for the vehicle for which it was obtained and only while the resident who obtained the permit maintains a bona fide possessory interest in the vehicle as an owner, purchaser or lessee.

Subd. 5. Information required on permits.

Each resident's permit issued pursuant to this Section shall manifest the following information:

- (a) That it is a City of Hibbing resident's parking zone permit.
- (b) The permit year.
- (c) The name of the manufacturer, the model year and the license plate number of the vehicle to which it is assigned.
- (d) A permit number assigned by the City Clerk.

Each regular visitor's permit issued pursuant to this Section shall manifest the following information:

- (a) That it is a City of Hibbing resident's parking zone regular visitor's parking permit.
- (b) The permit year.

- (c) The address of the eligible resident to whom the permit is assigned.
- (d) A permit number assigned by the City Clerk.
- (e) A replacement permit shall also manifest that it is a replacement.

Each special visitor's permit issued pursuant to this Section shall manifest the following information:

- (a) That it is a City of Hibbing resident's parking zone special visitor's parking permit.
- (b) The time for which the permit is valid.
- (c) The address of the eligible resident to whom the permit is assigned.
- (d) A permit number assigned by the City Clerk.

Subd. 6. Vicinity of effectiveness of permits; required location of display on vehicle. Any permit issued pursuant to this Section shall be valid only within 1,000 feet of the property of the address of the resident to which the permit is assigned. For any such permit to be effective, such permit must be displayed on or immediately behind the lower left corner of either the windshield or the rear window of the vehicle for which the permit is being used, and the permit must be readily visible from the exterior of the vehicle at the location where the permit is so displayed. If the vehicle has no windshield or rear window, the permit must be otherwise displayed on the vehicle so as to be readily visible.

Subd. 7. Behavior prohibited in connection with obtaining or using permits.

No person shall:

- (a) Make any false statement in connection with his or her application for any permit authorized by this Section.
- (b) Sell or rent any permit issued pursuant to this Section.

SEC. 9.17 OFF-STREET PARKING IN RESIDENTIAL DISTRICTS.

It is unlawful for any person to park a motor vehicle off street in the required front yard, side yard, or corner lot in any R-1, R-2, R-3 or R-4 district or within fifty (50) feet of any such district, unless a front yard, side yard or corner lot parking permit is applied

for and approved by the Planning Commission. This Section does not prohibit parking in a driveway designed primarily for access to the dwelling or a garage on the premises. The following minimum standards shall be met prior to issuance of a front yard, side yard or corner lot parking permit:

- (a) Where parking available to the existing use of the property is inadequate, no feasible alternatives to front yard, side yard or corner lot parking exists on the site to mitigate the parking inadequacy, and the proposal will not have detrimental impacts on other properties;
- (b) The proposed individual parking spaces shall exceed the minimum requirements of this ordinance, but in no case be greater in size than ten feet by 20 feet;
- (c) The proposed parking spaces shall be located in their entirety upon the property and shall not encroach into any public right-of-way or across any property line;
- (d) No more than one two front yard, side yard or corner lot parking spaces per dwelling unit shall be permitted upon a lot with the additional restriction that no more than 50 percent of the required front yard, side yard or corner lot may be used for front yard, side yard or corner lot parking irrespective of the number of spaces allowed by the preceding provision;
- (e) A parking space shall be located no closer than four feet to a side lot line, unless the adjoining property owner has signed an affidavit agreeing to a lesser spacing;
- (f) No parking space shall be located nearer than 25 feet to the side street right-of-way line of a corner lot;
- (g) All parking shall be designed such that it is perpendicular to the street paralleling the front yard, side yard or corner lot. No right angle, diagonal or similar parking configurations shall be allowed;
- (h) The entire parking space and all drive areas leading to it shall be surfaced in a dust free, hard surface type material such as concrete or bituminous, or pervious surface materials. Aggregate materials, compressed aggregates or other similar type surfaces shall not be permitted.

SEC. 9.18 SCHOOL PERMIT PARKING ZONES.

Subd. 1. Parking prohibited in school permit parking zones; exceptions. No person shall park a motor vehicle in any area designated as a school permit parking zone from September 1st of each

year to June 10th of the following year, which such zone is limited to parking by permit only, unless:

(a) A valid school permit issued pursuant to this Section is displayed in or on the vehicle as required by this Section; or

(b) The vehicle is a commercial service or commercial delivery vehicle which is then being used for service or delivery to the school which abuts the zone and the exterior of the vehicle displays painted or embossed lettering or insignia which identifies the commercial person by whom or which the vehicle is being used for such service or delivery; or

(c) A valid visitor's permit, issued pursuant to this Section, is displayed in or on the vehicle as required by this Section, but only while the person who parked the vehicle is visiting the school.

Subd. 2. Designation of school permit parking zones; preliminary resolution and hearing; signing. Only the City Council may designate any area of any street or highway as a school permit parking zone, which it may do by resolution, and by such resolution it may specify the time during which any such designation shall be effective. The director of public works shall place appropriate signs in any area so designated, which signs shall indicate that such area is a school permit parking zone and shall indicate the time during which such designation is effective.

Subd. 3. Issuance of school parking permits; fees. The City hereby designates Independent School District No. 701 to issue school parking permits. Independent School District No. 701 shall issue all school parking permits which shall be totally and completely the responsibility of the School. The School shall not charge a fee for a school parking permit.

Subd. 4. Information required on permits. Each school parking permit issued pursuant to this Section shall manifest the following information:

(a) That it is a City of Hibbing school parking zone permit issued by Independent School District No. 701.

(b) The name of the manufacturer, the model year and the license plate number of the vehicle to which it is assigned.

(c) A permit number assigned by the School.

Each school visitor's parking permit issued pursuant to this Section shall manifest the following information:

(a) That it is a City of Hibbing school parking zone visitor's parking permit issued by Independent School District No. 701.

(b) A permit number assigned by the School.

Subd. 5. Required location of display on vehicle. Any permit issued pursuant to this Section must be displayed on or immediately behind the lower left corner of either the windshield or the rear window of the vehicle for which the permit is being used, and the permit must be readily visible from the exterior of the vehicle at the location where the permit is so displayed. If the vehicle has no windshield or rear window, the permit must be otherwise displayed on the vehicle so as to be readily visible.

Subd. 6. Behavior prohibited in connection with obtaining or using permits. No person shall:

- (a) Make any false statement in connection with his or her application for any permit authorized by this Section.
- (b) Sell or rent any permit issued pursuant to this Section.

Effective Date: February 4, 2011

(Section 9.19 reserved for future expansion.)

SEC. 9.20. PARKING METER REGULATIONS.

Subd. 1. Installation and Use. To control motor vehicle parking upon certain streets and public parking lots, mechanical devices commonly known as parking meters shall be installed on or near the curb or parking space, and at such locations as the Council may designate.

Subd. 2. Parking Spaces. Lines or markings painted upon the curb or street or public parking lot adjacent to each parking meter shall indicate the parking space and it is unlawful to park any vehicle unless the same shall be wholly contained within a single such parking space.

Subd. 3. Days and Hours of Metered Parking. It is unlawful for any person to cause, allow, permit or suffer any vehicle registered in his/her name or operated or controlled by him/her to be upon any street within a metered parking space at any time during which the meter is showing a signal indicating that such space is illegally in use between the hours of 9:30 o'clock A.M. and 5:30 o'clock P.M., excepting therefrom Sundays and the following holidays: January 1, Memorial Day, July 4, Labor Day, December 25, and Thanksgiving Day.

Subd. 4. Charges. Parking meter charges may vary with location of on-street or public parking lot upon or along which metered parking has been established. Charges shall be prescribed by resolution of the Council at the time of establishment of metered parking within a specified area or upon a specified street. Changes in such charges shall be made by resolution of the Council. Parking meter charges and coin denomination shall be clearly stated upon each meter including the time covered by each denomination. Also, time limitations for parking in any metered space shall be clearly set forth upon each meter.

Subd. 5. Slugs. It is unlawful to deposit or cause to be deposited in any parking meter any slug, device or metallic substitute for legal coins.

Subd. 6. Use of Funds. The coins deposited in parking meters are required and shall be used to defray the expense of proper regulation of traffic upon the streets of the City; to provide for the cost of supervision, regulation, and control of the parking of vehicles in parking meter zones, to provide for the maintenance, repair, upkeep, snow removal and other proper and reasonable expense of such parking spaces, curbs and sidewalks adjacent thereto; for the purchase of off-street parking lots and for the cost of maintenance and operation of any municipally-owned parking lots now or hereafter to be acquired; for street widening to facilitate the movement of traffic and provide parking space; for such other expense incident to

such traffic control and regulations; and to cover the cost of purchase, supervision, protection, inspection, regulation, installation, operation, maintenance, control and use of parking meters.

SEC. 9.21. SNOW EMERGENCY.

Subd. 1. Application. Notwithstanding any other provision of the City Code, this Section shall apply to all snow emergencies and snow emergency routes.

Source: Ordinance No. 139, 2nd Series
Effective Date: 7-8-86

Subd. 2. Declaration of Emergency. At any time after at least four inches (4") of snow have accumulated within a period of twenty-four hours, or less, the City may declare a snow emergency by communicating such declaration to local news media. Failure to communicate with a news media shall not invalidate such declaration.

Source: Ordinance No. 358, 2nd Series
Effective Date: 2-21-2009

Subd. 3. Emergency in Effect; Expiration; Extension.

A. Four (4) hours after a snow emergency has been declared it shall be in effect.

B. Twenty-four (24) hours after a snow emergency has been declared, which declaration has not been extended, it shall expire.

C. If at least two hours before the expiration of the initial or any extension of a snow emergency, a declaration of extension is made by communicating the same to the news media, the snow emergency shall be extended for an additional twenty-four (24) hour period. Failure to communicate with a news media shall not invalidate the extension.

Subd. 4. Unlawful Act. It is unlawful to park or leave standing any motor vehicle in a sign-posted snow emergency route during a declared snow emergency, whether such declaration be an initial or extended snow emergency.

SEC. 9.99. VIOLATION A MISDEMEANOR OR PETTY MISDEMEANOR. Every person violates a section, subdivision, paragraph or provision of this Chapter when he/she performs an act thereby prohibited or declared unlawful, or fails to act when such failure is thereby prohibited or declared unlawful, and upon conviction thereof, shall be punished as follows:

Subd. 1. Where the specific section, subdivision, paragraph or provision specifically makes violation a misdemeanor, he/she shall be punished as for a misdemeanor; where a violation is committed in a manner or under circumstances so as to endanger or be likely to endanger any person or property, he/she shall be punished as for a misdemeanor; where he/she stands convicted of violation of any provision of this Chapter, exclusive of violations relating to the standing or parking of an unattended vehicle, within the immediate preceding 12-month period for the third or subsequent time, he/she shall be punished as for a misdemeanor.

Subd. 2. As to any violation not constituting a misdemeanor under the provisions of Subdivision 1 hereof, he/she shall be punished as for a petty misdemeanor.
